

BRADSHAW, GORDON & CLINKSCALES, LLC
CERTIFIED PUBLIC ACCOUNTANTS

Peter Tiffany
Partner

Following his graduation; first from the University of South Carolina Aiken campus in 1994 with a degree in business administration, and then from the University of South Carolina's main campus in 1995 with a masters in Accounting, Peter moved to the great city of Greenville in search of better opportunities. Though he didn't find BG&C right away, in 1997 their paths crossed and he became an integral member of the firm he would continue to work at for nearly 20 years (so far!).

Peter specializes in business tax, individual tax, litigation support, and business valuation. Peter is a Certified Public Accountant, and is Accredited in Business Valuation, Certified in Financial Forensics, and is a Certified Global Management Accountant.

Peter loves to spend time with his wife and two sons in downtown Greenville, especially when the seasons are changing. Fall is his favorite season by far with the leaves turning a variety of colors, and the hot, humid air of summer being replaced with the crisp autumn breeze so sought after in the south. A real life guitar hero, Peter enjoys playing whenever he has free time. On the off chance he's not practicing his strumming, Peter can be found improving his woodworking skills. In fact, he's honing his abilities for the day he's able to build his own personal boat.
